

Notes from the Market Square Delivery Group Meeting Wednesday 23rd July 2014

Present: Ian Franklin, John Baulch, Frances Northrop, Lindsay Garner, Lorraine Bulloch, Cathy Aubertin and Helen Nathanson

Apologies: Andy Simm and Paul Chapman

John Baulch gave an overview of the study carried out by the Preservation Trust.

A potential source of funding of up to £10,000 was identified from the Social Investment Business (SIB) for a pre-feasibility study which would allow for a more detailed examination of the possibilities.

It was agreed that we would make an application and that we would approach the Totnes Development Trust to see if they would allow us to submit the application in their name.

The date of the next meeting will be set once news of the application has been received.
