Councilmmunity Grants Policy

TOTNES TOWN COUNCIL

AGREED MARCH 2023

NEXT REVIEW MARCH-FEBRUARY 20245

The Totnes Town Council Community Grant Scheme is designed is to support local charities and community organisations providing services or events within the Totnes parish boundary. This policy sets out the criteria for applying for a grant from the Town Council, regardless of which grant fund is being applied to (for example, community, arts/events).

Grants awarded by Totnes Town Council are public money, collected as part of the town precept and we are accountable to local people for all expenditure. Therefore, we apply very stringent criteria to each application.

Scoring Mechanism to assess applications

Every application received during the application windows will be considered by the Council Matters Committee who will make a recommendation to Full Council. A second round of applications may be held later in the year should the original allocation not be allocated.

- a. Working with others; networking/partnering; cost of living crisis.
- b. Providing something different.
- c. Getting more people involved widening participation.
- d. How the project meets the Town Council priorities.

Important Terms & Conditions

a. Grant applications will only be considered where:

DRAFT Council Grants Policy, February 2024

Page 1

- b. There is clear evidence of need for the project.
- c. The organisation has clearly defined aims and objectives.
- d. The organisation has its own bank account with at least 2 authorised signatories.
- e. Grants cannot cover costs that have already been incurred.
- f. The organisation must be a non-party political and non-profit making. Individuals will not be funded.
- g. Applications from organisations and services which receive other sources of government and local government funding must demonstrate how the project differs from their core services and how the wider community is involved (for example schools must provide evidence that the project is not for the primary purpose of teaching its students).
- h. All supporting documents are required to be submitted with the application form.
- i. The organisation must invoice the Town Council for the grant awarded and submission of this invoice and the application form will be considered acceptance of the terms and conditions outlined in this policy.

Examples of projects considered:

- Groups that support the ongoing needs of vulnerable people to ensure that their health and wellbeing is maintained.
- Support for organisations working to combat hardship/cost of living crisis.
- Community response coordination.
- Volunteer costs for new and existing organisations responding to the effects of the cost of living crisis.
- Costs associated with youth support, mental health, bereavement and emotional needs, not already funded as a statutory service.
- Organisation of a community arts event which is open to town participation and attendance [do we want to make any point about where a ticket price advance sales/reduced cost to TQ9 5 residents as council tax payers?]

The following guidelines should be considered:

- The grant period will be for the financial year in which it is granted and applicants are asked to submit a six month progress update as well as an end of project completion statement (should the project run longer than six months).
- Please tell us the least amount of funding you need in order to help make funds go as far as possible.
- Each application will be considered on an individual basis and in light of what funding is available at the point of receipt.

Pensions Discretions Policy

TOTNES TOWN COUNCIL

REVIEW FEBRUARY 2024

The LGPS Regulations 2013

and

The LGPS Regulations 2014

(Transitional Provisions and Savings)

and

The LGPS Regulations 2008

(Benefits, Membership and Contributions)

(as at 14th May 2018)

These policies may be subject to review from time to time. Affected employees will be notified of any subsequent change to this Policy Statement.

Mandatory LGPS 2013 & 2014 discretions

Discretionary policies from 1 April 2014 in relation to post 31 March 2014 active members and post 31 March 2014 leavers (excluding councillor members)

Power of employing authority to grant additional panerol (Reg 31).

An employer can choose to grant extra annual pension* (at full cost to themselves) to:

- an active member; or
- to a member, within 6 months of leaving, whose employment was terminated on the grounds of redundancy or business efficiency

Shaned Cost Additional Pension Contribution ((Reg 1/6(.2))(e) & Reg 1/6(4)((d)))

Where an active member wishes to purchase extra annual pension by making additional pension contributions (APCs), an employer can choose to voluntarily contribute towards the cost of purchasing that extra pension through a Shared Cost Additional Pension Contribution (SCAPC)

Note: this discretion does not relate to cases where a member has a period of authorised unpaid leave of absence and elects within 30 days of return to work (or a longer period if the employer allows) to pay a SCAPC to cover the amount of pension 'lost' during that period of absence. In those cases, the employer <u>must</u> contribute 2/3rds of the cost to a SCAPC; there is no discretion (regulation 15(5) of the LGPS Regulations 2013).

"Switteh on" the 85-year rule TPSch 2, para 1(2) & 1(1)(c)

The 85-year rule does not automatically fully apply to members who would have had the protection under old regulations, and who choose to voluntarily draw their benefits on or after age 55 and before age 60. An employer can decide to switch the 85-year rule back on in full for such members.

Where the Scheme employer does not switch back on the 85-year rule, the member's benefits will be actuarily reduced. However, the Scheme employer can exercise a discretion to waive any actuarial reductions (at cost to the Scheme employer).

Flexible Retirement (R30(6) & TP11(2))

An employer can decide whether to permit flexible retirement for staff aged 55 or over who reduce their

Profficer Descriptions

Any request to award additional pension to an active member dismissed by reason of redundancy or business efficiency will be considered by Totnes Town Council on a case by case basis.

Policy Decision:

Totnes Town Council will not fund any employee's Additional Pension Contributions either in whole or in part.

Policy Decisions

The decision to 'switch on' the 85 year rule will be considered by Totnes Town Council on a case by case basis, taking into account factors including the financial cost to Totnes Town Council.

A decision to waive any actuarial reduction will be considered in exceptional circumstances on compassionate grounds.

Policy Decisions

Totnes Town Council will consider employee requests to take flexible

working hours and/or grade and wish to access their pension benefits.

In such cases, pension benefits may be reduced in accordance with actuarial tables unless the employer waives reduction on compassionate grounds.

The employee must reduce either their hours, and/or their grade and the employer must agree to the release of the pension.

You will need to consider:

 The minimum reduction in hours or grade required.

(The specific reduction required is not set out in the regulations, but instead must be determined by the employer and specified in this flexible retirement policy).

- Whether the employee should commit to a reduction in hours or grade for a minimum period.
- Whether the employee should commit to remaining in employment with the employer for a minimum period

You must also state whether, in addition to the benefits the member has accrued prior to 1st April 2008 (which the member must draw), you permit the member to choose to draw:

- All, part, or none of the benefits they accrued after 31st March 2008 and before 1st April 2014 and/or,
- All, part, or none of the benefits accrued after 31st March 2014, and,
- Whether to waive, on compassionate grounds, the actuarial reduction (in whole or part) applied to members' benefits paid on the grounds of flexible retirement before normal retirement age (R30(8)).

Note: If flexible retirement is agreed for a member aged between 55 and 60, there could be a Strain cost to be paid to the Pension Fund by the employer in respect of the pension benefits paid. There would also be a Strain cost payable by the employer where you have waived any actuarial reduction, in whole or in part.

Waive actuarial reductions to members bandits inps(1) & TP3(5), TP3ch 2 (para 2(1), 3(1), 3(2) & 9) R30(5) & R30(6)

retirement on a case by case basis after taking into factors such as service delivery and any costs that may apply. The Town Council will be responsible for agreeing or denying all requests to take flexible retirement.

Totnes Town Council does not give blanket consent for staff in the Local Government Pension Scheme aged 55 or over to flexibly retire and draw immediate payment of pension benefits. Requests will be referred to Totnes Town Council and assessed on their merits, taking into account such factors as cost and service delivery. Totnes Town Council will only waive the actuarial reduction on flexible retirement in exceptional circumstances following approval from the Town Council.

Policy Decision:

An employer can decide whether to waive in whole or in part any actuarial reduction for a member voluntarily drawing benefits before normal pension age other than on the grounds of flexible retirement

This applies to:

- active members voluntarily retiring on or after age 55 and before Normal Pension Age, who elect to immediately draw benefits, and
- deferred members and suspended tier 3 ill health pensioners who elect to draw benefits (other than on ill health grounds) on or after age 55 and before Normal Pension Age.

A decision to waive any actuarial reduction will be considered by Totnes Town Council in exceptional circumstances, on compassionate grounds or in circumstances where there will be a financial or other benefit to Totnes Town Council.

Recommended LGPS 2013 & 2014 discretions (non mandatory)

There is no requirement to have a written policy in respect of non-mandatory discretions. However, there are some non-mandatory discretions where it is recommended for Scheme employers to have a written policy so that both members and the Pension Fund administering authority can be clear on the employer's policy on these matters.

Sharred Cost Additional Voluntary Contribution Arrangement (SCAVC)

R17~(1)) and R15~(2A) and A25~(3) and definition of SCAVC in RSch 1

An employer can choose to pay for or contribute towards a member's Additional Voluntary Contribution through a shared cost arrangement (SCAVC).

An employer will also need to decide how much, and in what circumstances to contribute to a SCAVC arrangement.

Extend the time Ilmit for member to election a Shared Gost Additional Rendion Contribution ((R16(16)))

An employer can decide to extend the 30 day deadline for a member to elect to purchase additional pension by way of a Shared Cost Additional Pension Contribution (SCAPC) upon return from a period of unpaid absence (other than because of illness or injury, relevant childrelated leave or reserve forces service leave).

Extrend the 12-month time limit for transfer of pension rights (R(100(6)))

An employer can decide to extend the 12-month time limit for a member to elect to transfer pension rights from another registered pension scheme into the LPGS, if an election has not been made within 12 months of joining the LGPS in that employment.

Policy Decisions

Totnes Town Council will not contribute to any Shared Cost Additional Voluntary Contribution scheme.

An employer can extend the 12 month time limit for a member to elect **not** to aggregate their Post 31 March 2014 (or combinations of Pre & Post 2014) deferred benefits with their new LGPS employment (or ongoing concurrent LGPS employment), if an election has not been made within 12 months of joining the LGPS in that employment (or within 12 months of ceasing the concurrent membership).

Existent the 124month time limit for a member to elect to aggregate Pre 1 April 2014 defented benefits (TP 10(6)) as annehided by A27 (2018)

Employers can decide whether to extend the 12-month time limit for a member to elect to aggregate their Pre 1 April 2014 deferred benefits with their new LGPS employment that commenced on or after 14 May 2018 in order to purchase earned pension.

How an employee's contribution band will be initially determined and therepfier reviewed
(R9 and R10)

Employers must decide how the pension contribution band to which an employee is to be allocated on joining the Scheme will be determined and reviewed at each subsequent April.

Circumstances in which the employer will review the pension contribution band will also need to be determined. For example, following a material change which affects the member's pensionable pay during the Scheme year (1 April to 31 March)

Whitelibrar to linch ude a regular hump sum payimant when a calloulading assumed pensionable pay ((APP))
((Reg 21 (4))(a)(iv)), 21 (4)(b)(iv) and 21 (5)))

When calculating assumed pensionable pay, employers can decide to include the amount of any 'regular lump sum payment' received by the member in the 12 months preceding the date the absence began or the ill health retirement or death occurred.

A 'regular lump sum payment' is a payment for which the employer determines there is a reasonable expectation that such a payment would be paid on a regular basis. Pholicy Decisions

Totnes Town Council will not extend the deadline.

Policy Decisions

Totnes Town Council will not extend the deadline.

Policy Dedision;

Totnes Town Council will allocate employees joining the scheme to the contribution band for employees set out in the LGPS scheme based on actual annual pay.

The pension contribution band for each employee will be reviewed whenever their pay changes.

Policy Decision:

Not applicable – Totnes Town Council does not make regular lump sum payments.

Whenher to substitute a higher level of pensionable pay when calculating assumed pensionable pay (R21(5A)) and 21(5B)) backdaired to 1. April 2014 by A7 2018)

When calculating assumed pensionable pay (APP), an employer can decide to substitute a higher level of pensionable pay if, in their opinion, the pensionable pay received in the 3 months/12 weeks before the commencement of APP, is materially lower than the level of pensionable pay the member would have normally received.

Plathay (D)ethshoon;

Totnes Town Council will make a decision on whether to substitute a higher level of pensionable pay when calculating assumed pensionable pay on a case by case basis.

Arts and Events Working Group Notes Wednesday 24 January 2024@ 12:00pm

Committee Members: Cllrs Hannam, Presswell and Price

Also Present: Clir Auletta

Apologies: Cllrs Allen and Piper

TTC: Catherine Marlton, Lucy Ferrier, Lisa Baumback

1. Note progress on the art under Civic Hall.

- Noted
- Everyone was pleased with the final result and there has been a downturn in the amount of graffiti in this area.

Action: Lisa to report one small area of graffiti to the Town Maintenance Officer to be covered up.

- 2. Receive post event review of Christmas Lights Switch On Event (see attached).
 - Received and Noted.
- 3. Note Totnes Carnival Lantern Procession and future plans.
 - Noted
- 4. Discuss places to display public art.
 - Areas around the Market Square which need refreshing due to excessive graffiti were discussed.
 - The Network rail bridge was also discussed but there was a suggestion that either KEVICC or Totnes Independent School may be interested in creating some public art there in future.

Actions:

- LB to contact the artists who applied previously and request quotes for a design to be painted on it.
- Town Maintenance team to paint the wavy lines on the pillar under the stairs in the Market Square.
- LB to contact SHDC and Jason Vasey about the graffiti on the green electrical boxes.
- 5. Review phone box adoption/upgrades.
 - As this has been considered on other occasions without a successful way forward, it was suggested that it could be relocated to a more central location or auctioned to a member of public.

Action:

- LB to get a quote to disconnect the phone box from the power supply and relocate to a different position.
- LB to contact the Mansion to enquire if they are interested in giving the phone box a new home.

6. Any Other Business

• Jo from Miss Ivy events will prepare a post event report for the Christmas Markets which will be presented at the March Arts Working Group.

Action: Cllrs asked to send their feedback on the 2023 Christmas Markets, alongside any suggestions for changes or improvements for 2024, to Lucy by the end of February.

 Cllr Presswell shared some suggestions for D-Day celebrations on 6th June. There is no specific budget allocation for this event so it would need councillors or volunteers to plan it through a working group, as previously discussed at Town Matters. It was suggested that Cllr Presswell should speak to the Royal British Legion, the Image Bank and South Devon Railway who often put on a 1940s event.

Action: Cllr Presswell agreed to lead on these activities and look into this further.

7. Date of next meeting – Wednesday 20 March @ 12:00
