ITEM 3 – STRATEGY DELIVERY WORKING GROUPS

a. Community Working Group, 14th April 2026.

Caring Town - It is **RECOMMENDED** to Council Matters (for ratification by May Full Council given the amount) that the attached request for £13,500 from Caring Town be granted as part of the £50,000 Strategic Funding budget. Members felt that the request was urgent given the transition period Caring Town is currently in, and that it is essential to support the core facilitation and coordination of the VCSE sector in Totnes, as outlined in the Community Audit report from Devon Communities Foundation (DCF). The balance of that budget would therefore be £36,500 if agreed. It was felt this award should be subject to the Town Council having the opportunity to shape and be involved with the recruitment process for the proposed Coordinator/Project Manager.

Members should note that the remainder of the strategic community funding budget is not yet decided and that a proposal will be taken to May Full Council on how to best to allocate funds to maximise benefit, taking into consideration the Community Audit report, and taking advice from DCF.

Devon Communities Foundation - It is **RECOMMENDED** to Council Matters that £1000 be agreed from the professional fees budget to allow some limited additional work by Devon Communities Foundation (DCF) to shape both the remainder of the 2026/27 strategic community funding allocation, how to develop a successful partnership with Caring Town, and looking ahead to 2027/28 in terms of community support, funding and otherwise.

29. Terms of Reference for Advisory Bodies (Forums)

Advisory:

There is currently one group operating as an advisory body to the Town Council. This is:

- The Traffic and Transport Forum, which reports through the Planning Committee
- The forum has developed its own Terms of Reference which indicate why it exists and how it wishes to operate. These Terms of Reference do not wish to cut across those stated aims, and are written solely to clarify the nature of the relationship with the Town Council, to whom each acts as an advisory body only.
1. The Town Council will nominate at least one Councillor to act as a link point with each forum.
 2. The Council will seek the views of its advisory body on all matter of relevance to them.
 3. Where an issue needs further consideration, the Town Council could request consideration of the issue by the forum. Or the Council could set up a working group, asking the forum if they would nominate members to join with the Council on the working group to consider the relevant issues.
 4. It must be noted that ultimately responsibility lies with Councillors, and they may not always choose to take the advice of the forum.
 5. The Town Council values the forum members. It will encourage people from across the town to join the Forum, as the recognised place for members of the community to air their detailed concerns and become involved on matters of relevance to the forum. A Forum may establish a smaller Steering Group drawn from the community which meets on a monthly basis (as required) to progress work, with the wider public Forum meetings held on a quarterly basis. In return it expects the Forums to:
 - Regularly promote their meetings and seek to encourage individuals and community groups to join them, in order to make them as representative as possible.
 - Achieve transparency and openness by holding open meetings, publicising the agenda and reporting on their activity.
 - Recognise the right of any individual or organisation to operate unilaterally, respecting everyone's opinions.

30. Terms of Reference for the Mayor and Deputy Mayor

The Mayor should provide a visible and strong presence in the town representing the Town and the Council. The Mayor should act within their role as a way for the Town Council to engage with the community as agreed by the Council and set out within Town Council policies and procedures. They act as an independent advocate for both Totnes and the Council on all occasions both within and outside of the Town.

The Mayor's role in all Civic events is to act as the senior public face of the Town/Council, representing its continuity and heritage and using the dress and regalia of the Town Mayor when appropriate. They are expected to attend events.

In undertaking the role of community leader the Mayor should help to develop partnerships with all sectors of the community for the benefit of Totnes. In achieving this they will reflect policies and recommendations of the Council in an independent manner, to further the interests of Totnes.

As Chair of the Council the Mayor fulfils both the statutory responsibilities of the Chair of the Council and the specific responsibilities of the role as directed by the Council within its Standing Orders. Their principal role is to preside at meetings of the Town Council:

- a) To determine that the meeting is properly constituted and that a quorum is present;
- b) To inform themselves as to the business and objects of the meeting;
- c) To preserve order in the conduct of those present;
- d) To confine discussion within the scope of the meeting and reasonable limits to time;
- e) To decide whether proposed motions and amendments are in order;
- f) To formulate for discussion and decision questions which have been moved for the consideration of the meeting;
- g) To decide points of order and other incidental questions which require decision at the time;
- h) To ascertain the sense of the meeting by:
 - putting relevant questions to the meeting and taking the vote thereon (and if so minded giving a casting vote);
 - declaring the result
 - To approve the draft of the minutes or other record of proceedings (with the consent of the meeting);
- k) To adjourn the meeting when circumstances justify or require that course; and
- l) To declare the meeting closed when its business has been completed.

Additionally, together with the Committee Chairs, all Councillors and the Town Clerk, the Mayor through the Council committee meetings who report to Full Council, will oversee the effective management of all the resources of the Town Council, to deliver services to achieve the greatest benefit for the residents and businesses, including support for health and wellbeing, infrastructure, heritage and the economy of the town.

In undertaking the role of the Mayor they will receive support in their Civic role and in communications by the Administrator. In their statutory and non-civic role, the Mayor will be supported by the Clerk, including through regular one-to-one meetings.

The policy in relation to Mayoral expenditure is attached as Appendix D.

31. Operational Support Group

The Operational Support Group (previously Mayors and Chairs) will consist of the Clerk, Chair of the Council, Deputy Chair of the Council and Chairs of Town Matters, Council Matters and Planning.

The group will meet as required by the Clerk. These meetings are not open to the public. The Clerk will also liaise directly on a one to one with the Mayor and/or Chairs of Committees on individual operational issues if required.

The quorum for this group will be half of the agreed membership and in no case less than 3.

This is an informal meeting to discuss current and upcoming issues within and impacting the Town Council and to review agenda items for consideration. This group is advisory only and does not have delegated authority to make decisions.

32. Nolan Principles

All Councillors will adhere to the 7 principles of public life:

1. Selflessness

Holders of public office should act solely in terms of the public interest.

2. Integrity

Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They must declare and resolve any interests and relationships.

3. Objectivity

Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

4. Accountability

Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

5. Openness

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

6. Honesty

Holders of public office should be truthful.

7. Leadership

Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.
