Highway Improvement Works

A385 Newton Road Roundabout to True Street Cross, Totnes/Berry Pomeroy

Thursday 14th May 2026

Dear Sir/Madam,

Devon Highways will be carrying out Highway Improvement Works on the A385 Newton Road Roundabout to True Street Cross, Totnes/Berry Pomeroy between Monday 22nd June – Saturday 4th July (weeknights only). We will be carrying out patching, cleaning and lining works. The highway requires maintenance and these essential repairs will help restore the surface and improve safety.

Our working hours are 19.00 - 07.00, during which the road will be closed. Access queries should be directed to the gatemen on site who will be glad to assist. Access for emergency vehicles will always be maintained.

Please see the road closure and work area highlighted in **red** on the maps on the next page, the signed diversion routes are shown in **blue**. Drivers with local knowledge may use alternative routes but these will not be advertised for safety reasons.

Any changes to the start date or duration will be shown on advisory signs on site. We will do our best to complete the work quickly and minimise disruption. Your co-operation and understanding are greatly appreciated.

Information on current and planned roadworks in your area can be found on the Causeway one.network: <https://one.network/?GB149771579>.

Should you have any questions please contact us and we will do our best to try to help.

Kind regards,

Julia
Highway Liaison Officer
Devon County Council
